

Duke & Sophie: 2 Great Dogs Looking for a Home

Woof! (Hello!), my name is Duke. I'm a 3 year-old handsome, neutered male, kind of a husky-lab mix, and I weigh about 70lbs.

I once had a home but found myself wandering around in a cul de sac where all the neighbors were feeding me. **They all thought I belonged to another neighbor but they liked me.** I got to hang out at many houses with different people for months! But eventually they found out I was just a loveable vagabond. They called Julia at SCCAT for help because Animal Control was going to take me away.

I get along with dogs and all people—I **will bring a lot of fun and love to your life.** And I would be a great exercise buddy but I can also be a couch potato. **Maybe even your couch??!**

Woof! (Hello!), I'm Sophie. I am a 3 year-old beautiful, spayed female St. Bernard mix, about 70lbs... a little small for my breed and **I don't slobber!**

I had a loving home once with a man and doggie sibling. One day when we were out for our daily walk, **my dad collapsed and went to heaven.** We were so confused and sad. My buddy and I were turned into SCCAT by dad's friends who couldn't keep us but didn't want us to go to the shelter. I'm so glad my buddy was adopted but **I'm still waiting for my second chance forever home.**

I am a kind and gentle dog. **I love people but I won't jump all over you all the time.** I'm respectful of people and other doggies. I'd love to be your exercise buddy!

I like other dogs and get along with them but since I'm a polite dog, I don't like it when other dogs are impolite. So please introduce me gradually to your other dogs and we'll all be best friends!! **Soon??**

Duke has amazing blue eyes!

It's just a click away from saving and helping more animals!!
