## SOS—Donations Needed NOW, Abandoned Kittens!!!

While S.C.C.A.T. was running our regular weekend adoptions at PetSmart recently, a **carrier was discovered** sitting behind our adoption materials. Since every cat comes to the event in a carrier no one noticed a generic carrier that just blended in.

Surprise!!! **We discovered three 5 month-old kittens**, so very scared and confused! Knowing these kittens have little or no chance of being adopted if turned into the shelter, **we kept them**. Of course, our hope is to put them up for adoption.

This is just another day for us at S.C.C.A.T. We save cats and dogs who would **otherwise be given a death sentence** and we help find them loving homes. But that takes time and money.

**We desperately need your help!** Summer is a rough time for us. Why? Because so many families travel and are reluctant to adopt a new pet. But kittens and puppies are coming of age and ready for adoption. So every S.C.C.A.T. animal gets all shots, spay/neuter, deworming, and microchips. None of which is free.

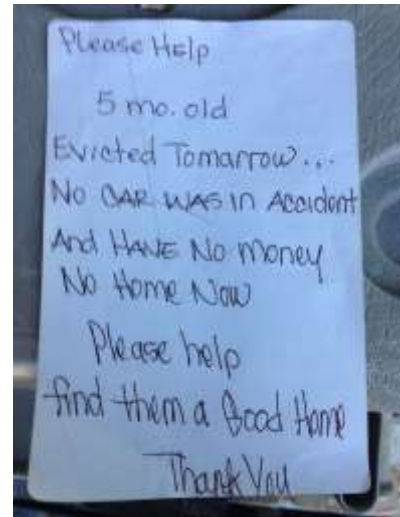

**S.C.C.A.T. is supported solely by donations.** Our small adoption fees all go toward saving and adopting the next animal. Right now we are even **struggling to feed and treat all the animals** we take care of. **Please help!!!**

\$20 feeds so many hungry, grateful babies! Any donation helps **every dime goes directly to the animals**. Please help us survive this difficult period!!

*Thank you!*
