Half-Price Holiday Special Pets

Make Your Holiday Even More Wonderful With A New Family Member!

This is the perfect time to add an older, affectionate cat to your family this holiday. And SCCAT has some great adult felines that are well-mannered and super sweet!

Tumbleweed is a great housecat

Tumbleweed (to the right) is one of our older cats. She had a home for 8 years but her owner lost it. She was so loved in her former life but the owner could not take her to a future unknown! She is **sweet, low key** and misses having a human companion. Tumbleweed **knows how to behave with a family** and would fit perfectly in your home!

Latifah is a terrific tortie

Brad is an orange sweetie

We are also featuring **Latifah** and **Brad** (above), two very loving, well-behaved adults. **All three are now half-price.**

Tumbleweed, Latifah, and Brad are all **healthy**, spayed or neutered, **vaccinated**, and chipped.

Please come to our Pasadena PetSmart adoption weekends and meet them—*their cuddles and affection will make your day!*

SCCAT Depends on Your Donations

Our small adoption fees all go toward saving and adopting the next animal.

PLEASE HELP!!!

\$20 feeds so many hungry, grateful babies! Any donation helps; **every dime goes directly to the animals.**
